Can you imagine what would happen if we as women united toward the common goal of eliminating Negative Self Talk from our lives? How much of an impact could we make in our own lives and the lives of the people we touch on a daily basis. We have tremendous influence in the home; corporate world; the church; and society as a whole. But some how we have begun to lose sight of power and influence that we posses. God gave us the ability not only to birth life, but to speak life to every circumstance and situation that we face. It's time for us as women of God to embrace our purpose and power. Its time to stop bashing others and talking bad about ourselves. We have to take our words and communication more seriously. Just as Eve was a gift to Adam, we are a gift to the body of Christ. Its time for us to unleash the power of God's word in our lives.
