The Beach Boys and the California Myth

David Leaf

The Beach Boys and the California Myth David Leaf
This book was one of the first Beach Boys bios to be published. Leaf is a fanatical Beach Boys expert, friend of the band to this day, and a frequent consultant on BB-related projects. His writing is not critical, but it is factual, and he tells the story well, illustrated with hundreds of vintage photos (reproduced from magazines, for the most part, so the quality is as dubious as the obscurity of the material is welcome). - squishy66, Amazon review
