The Chase for Forrest Fenn's Treasure Trent Rhu Seau
The Chase for Forrest Fenn’s Treasure is intended to help a beginner compete with those who have been hunting for the treasure for years by providing an analysis of the clues in Forrest Fenn’s poem which lead to his hidden treasure.

There are many ways to interpret the clues. Possible ideas are shown so that one may piece them together and join the chase for the treasure. Included in the analysis of the poem is structural analysis, literal and figurative content analysis, as well as content analysis using geographic features.

If the treasure has not been found yet, as Forrest asserts, then everyone still has a chance. The chase is like the lottery, except that all participants are rewarded with the enjoyment of nature and the opportunity to hone puzzle-solving skills, regardless of winning.

If you are confident you know where the treasure is, then this book may not be for you. But for those who are still unsure and may need some help or fresh analytic ideas, this book just may provide the spark that will help you find the treasure.

To follow Forrest’s philanthropy, a percentage of the proceeds from this book will be donated to St. Jude Children’s Research Hospital.
