War in European History

Michael Howard

War in European History Michael Howard
First published over thirty years ago, *War in European History* is a brilliantly written survey of the changing ways that war has been waged in Europe, from the Norse invasions to the present day. Far more than a simple military history, the book serves as a succinct and enlightening overview of the development of European society as a whole over the last millennium. From the Norsemen and the world of the medieval knights, through to the industrialized mass warfare of the twentieth century, Michael Howard illuminates the way in which warfare has shaped the history of the Continent, its effect on social and political institutions, and the ways in which technological and social change have in turn shaped the way in which wars are fought. This new edition includes a fully updated further reading and a new final chapter bringing the story into the twenty-first century, including the invasion of Iraq and the so-called "War against Terror."

From reader reviews:

Sonja Johnson:

In other case, little people like to read book War in European History. You can choose the best book if you'd prefer reading a book. Providing we know about how is important a new book War in European History. You can add know-how and of course you can around the world by the book. Absolutely right, simply because from book you can recognize everything! From your country until finally foreign or abroad you can be known. About simple thing until wonderful thing you may know that. In this era, we could open a book or searching by internet product. It is called e-book. You can use it when you feel uninterested to go to the library. Let's study.

Guadalupe Baxter:

Reading a book can be one of a lot of action that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new data. When you read a e-book you will get new information due to the fact book is one of many ways to share the information or perhaps their idea. Second, looking at a book will make a person more imaginative. When you reading a book especially hype book the author will bring someone to imagine the story how the personas do it anything. Third, you are able to share your knowledge to others. When you read this War in European History, you are able to tells your family, friends as well as soon about yours publication. Your knowledge can inspire the mediocre, make them reading a reserve.

Priscilla McCreary:

The reserve untitled War in European History is the book that recommended to you to see. You can see the quality of the reserve content that will be shown to an individual. The language that publisher use to explained their way of doing something is easily to understand. The author was did a lot of analysis when write the book, and so the information that they share to you personally is absolutely accurate. You also could get the e-book of War in European History from the publisher to make you a lot more enjoy free time.

Sunday Richey:

Playing with family within a park, coming to see the coastal world or hanging out with buddies is thing that usually you have done when you have spare time, then why you don't try matter that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love War in European History, it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh come on its mind hangout guys. What? Still don't obtain it, oh come on its called reading friends.
