AWAKENING THE SLEEPING GIANT: Call for Intercession (Sleeping Giant Bible Study) Pat Holliday
A Massive Spell
Who is the Sleeping
High levels of wizard's planted and released a massive spell has across the earth to keep the Sleeping Giant under massive bewitching spirits. Who is the Sleeping Giant?
The Sleeping Giant Represents the Body of the Body of Christ
The Apostle Paul loudly and clearly sound out the alarm to the Body of Christ today. (I Thess. 5:6), says - " . . . let us not sleep, as do others . . . " (Rom. 13:11), says "And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed."

"But the wise took oil in their vessels with their lamps. 5 While the bridegroom tarried, they all slumbered and slept. 6 And at midnight there was a cry made, Behold, the bridegroom cometh; go ye out to meet him," (Matt. 25: 4).
The Sleeping Giant will spiritually awaken when the Saints PRAY!
John Mulinde of Australia shared how a former Satanist led expeditions through the air. He would go with other satanic agents and many demon spirits. It was as if they were working a shift, in the same way that you've got to go and work your shift. He had a regular, time that he was required to go and wage war in the heavenlies. He said that in the heavenlies, in the spiritual realm, if the land is covered by a blanket of darkness, the blanket is so dense it is like solid rock. And it covers the whole area. The spirits are able to go on top of and below the blanket, and from there influence the events on earth.

When the evil spirits and human satanic agents finish their shifts, they go down to earth at the points of covenant, on water or on land, to refresh their spirits. How do they refresh their spirits? By the sacrifices that people give at these altars. They could be sacrifices in open witchcraft, sacrifices in bloodshed of all types, including abortion, warfare, and human and animal sacrifices. They could be sacrifices of sexual immorality, in which people practice sexual perversions and all kinds of promiscuity. Such acts strengthen these powers. There are many different types of sacrifices.

He said that when satanic agents are up in the heavenly realm, and Christians begin to pray on earth, the Christians' prayers appear to them in three forms. All prayers appear like smoke that is rising toward heaven.

Some prayers appear like smoke that drifts along and vanishes in the air. These prayers come from people who have sin in their lives that they are not willing to deal with. Their prayers are very weak; they are blown away and disappear in the air.

Another type of prayer is also like smoke. It rises upward until it reaches the rock; it cannot break through the rock. These prayers usually come from people aspects that are needed when someone prays. who try to purify themselves, but who lack faith as they pray. They usually ignore the other important.

The third type of prayer is like smoke that is filled with fire. As it rises upward, it is so hot that when it reaches the rock, the rock begins to melt like wax. It pierces the rock and goes through.

Many times evil agents would notice that prayers were changing and coming very close to becoming fire. These agents would then communicate with other spirits on earth and tell them, "Distract that person from prayer. Stop them from praying. Pull them out."

Many times Christians yield to these distractions. They are pressing through, repenting and allowing the Word to check their spirit. Their faith is growing. Their prayers are becoming more focused. Then the devil notices that their prayers are gaining strength, and the distractions begin. Telephones ring. Sometimes, in the middle of very, very intense prayer, the telephone rings and you think you can go answer it and then come back and continue praying. However, when you return, you go back to the beginning. And that's what the devil wants.
