Homage to Catalonia / Down and Out in Paris and London (2 Works) George Orwell
Homage to Catalonia is both a memoir of Orwell's experience at the front in the Spanish Civil War and a tribute to those who died in what he called a fight for common decency. *Down and Out in Paris and London* chronicles the adventures of a penniless British writer who finds himself rapidly descending into the seedy heart of two great European cities. This edition brings together two powerful works from one of the finest writers of the twentieth century.
