Santa's Twin

Dean Koontz

Santa's Twin Dean Koontz

"Someone has stolen Santa's bank card!"

Combining the tongue-in-cheek charm of a modern classic with the timeless magic of cherished holiday tradition, here is a new Christmas story guaranteed to delight children of all ages--including those who pretend to have not grown up.

At the request of his fans, bestselling novelist Dean Koontz has created a contemporary masterpiece that is destined to take place alongside "The Night Before Christmas" and *Christmas Carol* as a perennial Yuletide favorite.

Santa's Twin is the hilarious and heartwarming story of two little girls, Charlotte and Emily, who set out to save Santa from his mischievious twin--Bob Claus--who has not only stolen Santa's sleigh, but has stuffed his toy bag with mud pies, cat poop, and broccoli! Plus, he's threatening to turn Donner, Blitzen and the rest of the reindeer into soup! And look at the *mess*he's leaving under the tree!

How the brave but foolhardy sisters fly to the north pole and rescue Santa from his "deeply troubled" twin is an utterly charming and unforgettable story that will add sparkle to your holiday season.

The first major new Christmas story in decades, *Santa's Twin* is sure to bring joy that parents can share with their children. Lavishly illustrated with spectacular paintings by Phil Parks, this thoroughly modern masterpiece breathes new life and warmth into the world's most beloved legend

Read it aloud, preferably to someone whose laugh you love to hear.

And Merry Christmas!
