In commemoration of this landmark anniversary, Oxford University Press brings Abraham Pais' major work on Einstein's life and work to a whole new generation of readers.
Since the death of Albert Einstein in 1955 there have been many books and articles written about the man and a number of attempts to "explain" relativity. Throughout the preparation of this book, Pais has had complete access to the Einstein Archives and the invaluable guidance of the late Helen Dukas--formerly Einstein's private secretary
Written with Pais' intimate and incomparable knowledge of Einstein, *Subtle is the Lord* will delight and inspire anyone fascinated by the man whose revolutionary ideas have defined modern physics.
