Total Recall

Sara Paretsky

Total Recall Sara Paretsky
The bestselling V.I. Warshawski novels have dazzled readers and earned the acclaim of critics everywhere. “V.I. Warshawski rules,” writes *Newsweek*, crowning her “the most engaging woman in detective fiction.” Of V.I.’s creator, the *Chicago Tribune* says “Sara Paretsky has no peer.”

Now Paretsky brings her incomparable storytelling brilliance to her most powerful Warshawski novel yet. **Total Recall** follows the Chicago P.I. on a road that winds back more than fifty years — and into an intricate maze of wartime lies, heartbreaking secrets, and harrowing retribution.

For V.I., the journey begins with a national conference in downtown Chicago, where angry protesters are calling for the recovery of Holocaust assets. Replayed on the evening news is the scene of a slight man who has stood up at the conference to tell an astonishing story of a childhood shattered by the Holocaust — a story that has devastating consequences for V.I.’s cherished friend and mentor, Lotty Herschel.

Lotty was a girl of nine when she emigrated from Austria to England, one of a group of children wrenched from their parents and saved from the Nazi terror just before the war broke out. Now stunningly — impossibly — it appears that someone from that long-lost past may have returned.

With the help of a recovered-memory therapist, Paul Radbuka has recently learned his true identity. But is he who he claims to be? Or is he a cunning impostor who has usurped someone else’s history ... a history Lotty has tried to forget for over fifty years?

As a frightened V.I. watches her friend unravel, she sets out to help in the only way she can: by investigating Radbuka’s past. Already working on a difficult case for a poor family cheated of their life insurance, she tries to balance Lotty’s needs with her client’s, only to find that both are spiraling into a whirlpool of international crime that stretches from Switzerland and Germany to Chicago’s South Side.

As the atrocities of the past reach out to engulf the living, V.I. struggles to decide whose memories of a terrible war she can trust, and moves closer to a chilling realization of the truth — a truth that almost destroys her oldest friend.

With fierce emotional power, Sara Paretsky has woven a gripping and morally complex novel of crime and punishment, memory and illusion. Destined to become a suspense classic, **Total Recall** proves once again the daring and compelling genius of Sara Paretsky.

From reader reviews:

Kevin Burkes:

In other case, little people like to read book Total Recall. You can choose the best book if you love reading a book. Given that we know about how is important a book Total Recall. You can add expertise and of course you can around the world with a book. Absolutely right, due to the fact from book you can recognize everything! From your country until foreign or abroad you may be known. About simple point until wonderful thing it is possible to know that. In this era, we can open a book as well as searching by internet product. It is called e-book. You should use it when you feel bored to go to the library. Let's learn.

Irene Wang:

In this 21st hundred years, people become competitive in every way. By being competitive today, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated that for a while is reading. Sure, by reading a e-book your ability to survive enhance then having chance to remain than other is high. To suit your needs who want to start reading some sort of book, we give you this Total Recall book as beginning and daily reading book. Why, because this book is usually more than just a book.

Richard Vaccaro:

Nowadays reading books be than want or need but also be a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The information you get based on what kind of e-book you read, if you want attract knowledge just go with schooling books but if you want really feel happy read one together with theme for entertaining like comic or novel. Typically the Total Recall is kind of reserve which is giving the reader unforeseen experience.

Pauline Browne:

Information is provisions for those to get better life, information today can get by anyone at everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is inside former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you get the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Total Recall as your daily resource information.
