Choose Once Again: Selections from a Course in Miracles Foundation
A compilation of selections from "A Course in Miracles" selected by Julius J. Finegold; and Dr. William Thetford who, together with Dr. Helen Schucman helped bring about the beloved and revered book "A Course in Miracles," which is read by students in 25 languages around the world. “Teach only love, for that is what you are” is an expression of our true function and reality. As we begin to awaken from our dream of separation, we recognize that not only is this true but also that there is nothing else we need or could possibly desire except love. Our reality as love is the basic theme of "A Course in Miracles," the work from which all of the passages in this book have been selected. Although much of "A Course in Miracles" is in blank verse, it is printed almost entirely in prose form. Verse form is used throughout this compilation of selections to highlight the beauty of language which illuminates the concepts presented.
