Cameron Judd

Crockett of Tennessee: A Novel Based on the Life and Times of David Crockett Cameron Judd
Finalist for the Spur Award: The thrilling adventures of an American icon come alive in this vivid and authentic retelling of his remarkable story

From humble beginnings in rural Tennessee to his heroic death defending the Alamo, frontiersman, adventurer, and politician David “Davy” Crockett embodies the spirit and ideals of the national character. Even during his lifetime, tales of the sharpshooting, skilled woodsman were—to his delight—told, retold, and elaborated on. As a US congressman, the former Creek War militiaman steadfastly opposed President Andrew Jackson’s Indian Removal Act. As a soldier, he made the ultimate sacrifice fighting for an independent Texas. Nearly two centuries after his untimely demise, he remains a legendary figure in American lore.

In this fictional account of Crockett’s life, author Cameron Judd offers a nuanced portrait of the man behind the myth. He depicts Crockett’s triumphs as a hunter, cattle drover, warrior, and legislator in riveting detail and poignantly illustrates his subject’s hardscrabble youth and complicated relationship with his father. Meticulously researched and rich in vibrant action, *Crockett of Tennessee* captures the charisma, ambition, and bravery of the man known as the “King of the Wild Frontier.”
