My Bucket List Journal (Inspirational Goal Journals) (Volume 5) Creative Life Journals
Use this inspirational bucket list journal to set moderate or extreme goals. Write down what you want to do within the next two years or ten years and continually fill in the journal as you embark on your journey. This journal is fully customizable to you. Your bucket list can include goals such as: buy a new home, buy land, travel to Europe, start an organic garden, go back to school and more!! Studies have shown that writing things down and creating lists or dream boards and making plans creates the framework to make your goals more achievable. Some of the most successful people in the world write out their goals and read them on a daily basis. Don’t be afraid to set small goals and work your way up. It all starts with an idea, then a belief that it CAN happen. From there the idea turns into action. We have several bucket lists journals featuring inspirational covers. **Feel free to check out our other books and find a cover that meets your individual preferences. This journal includes a place to write down each goal on your bucket list, with a space for a picture and more notes. (Click on the “Look Inside” featuring to make sure this book is right for you).
