Excerpt
Truth be told, I hadn't quite gotten used to being back yet. And when I say it, I mean everything: civilian clothes, civilian cars, no drills, paved American streets, Oak trees and houses with perfectly-watered, green grass in their front lawns. It was strange being back in the U.S. If you spend too much time in the desert, it can be like that.

And the women, I wasn't used to them either. I hadn't been with one in a long time, or even looked at one really. Since coming back to America, I got that particular look from women a lot, the familiar smile and the quick checkout, a subtle hint that they were interested, if only on a totally primal level. I just sort of brushed it off. The idea of being with a woman was almost foreign to me, it'd been so long since I'd had time to even cultivate an interest in another person on that level.

But things changed when I saw her in the bar earlier. Cat. I liked that named, it sounded feisty and wild. I could only imagine what she was like in bed. When I first saw her, my heart damn near broke. "Curves that could kill" was the only way to describe her. Full, gorgeous breasts, just the right amount of cleavage; a round, voluptuous ass that melded into her beautiful thighs, her jeans tight against her skin. I imagined what it might be like having her bounce that ass in front of me as I stroked inside her, and I felt myself starting to get hard at the thought.

Her blouse had been tight, too, revealing those extra pounds around her midsection, those free-flowing, killer curves. I liked a girl with a body like that, a little chubby, but with tons of confidence. Women like Cat knew how to treat a man in bed, you could tell by the way they walked and the way they talked. With a little luck, I'd be finding this out for sure later tonight.

This is a work of erotic fiction containing explicit sex scenes intended for mature audiences --- Ages 18+ only --- Enjoy <3 H*
