This collection of Sight Word Books is designed to give your little one practice with the sight words. Each engaging story has between 17 & 22 pages of cute pictures and fun sentences! Plus over 90% of the words used in these books are Sight Words or Sight Nouns. That means your child will get extensive practice reading these critical words.

Plus, flash cards are included at the end of the book so that you can check your child’s mastery of each word used in that story. Too often, children memorize the book instead of reading the story, the flash cards let you ensure that your little one is learning the sight words.

The five stories included in this book are:
* Little Dog Wants to Play
* Mother Duck Hears a Sound
* Here Comes Blackfly the Dragon!
* Frog Has a Party
* The Ducks are Too Hot!
* Little Boy Wants a Fish

Each of the books included in this collection are also sold separately.

~ New Edition ~ This new release for January 2013 includes the following new features:
* Another story! This new edition is no longer 5 stories, but is now 6 stories! Little Boy Wants a Fish has been added to the collection and the price has remained the same!
* Updated Images! Every image in the story has been redone and resized for today's newer, larger, full color electronic devices
