UR Stephen King

FIRST TIME ON AUDIO...
An Unabridged Novella Unavailable In Any Collection!

Tapping into our primal fears of modern technology that made *Cell* a #1 bestseller, Stephen King sets his sights on the latest high-tech gadget in *UR,* in which a mysterious e-book reader opens a disturbing window into other worlds.

Reeling from a painful break-up, English instructor and avid book lover Wesley Smith is haunted by his ex-girlfriend's parting shot: "Why can't you just read off the computer like everyone else?" He buys an e-book reader out of spite, but soon finds he can use the device to glimpse realities he had never before imagined, discovering literary riches beyond his wildest dreams...and all-too-human tragedies that surpass his most terrible nightmares.

From vintage cars (*Christine* and *From a Buick 8*) to household appliances (*Maximum Overdrive*) to exercise equipment (*Stationary Bike*), Stephen King has mesmerized us with tales of apparently ordinary machines that take on lives of their own. *UR* gives this classic theme an up-to-the-minute spin, resulting in a horror masterpiece for our time and for the ages.

From reader reviews:

Bridget Dell:

This UR are reliable for you who want to certainly be a successful person, why. The key reason why of this UR can be one of several great books you must have is actually giving you more than just simple looking at food but feed an individual with information that might be will shock your previous knowledge. This book is handy, you can bring it everywhere and whenever your conditions both in e-book and printed people. Beside that this UR giving you an enormous of experience for example rich vocabulary, giving you test of critical thinking that we realize it useful in your day exercise. So , let's have it appreciate reading.

Phyllis Sharrow:

This UR is great publication for you because the content that is full of information for you who else always deal with world and still have to make decision every minute. This kind of book reveal it data accurately using great arrange word or we can declare no rambling sentences inside. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but hard core information with splendid delivering sentences. Having UR in your hand like having the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world with ten or fifteen second right but this guide already do that. So , this can be good reading book. Hey Mr. and Mrs. occupied do you still doubt that?

Robbie Lewis:

You may spend your free time to read this book this reserve. This UR is simple to develop you can read it in the area, in the beach, train and also soon. If you did not have got much space to bring the printed book, you can buy the actual e-book. It is make you quicker to read it. You can save typically the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Joseph Johnson:

With this era which is the greater person or who has ability to do something more are more special than other. Do you want to become among it? It is just simple solution to have that. What you have to do is just spending your time not very much but quite enough to have a look at some books. One of many books in the top collection in your reading list is usually UR. This book that is qualified as The Hungry Hills can get you closer in becoming precious person. By looking upwards and review this publication you can get many advantages.
