African Press

Martin Ochs

African Press Martin Ochs
The first book to discuss the press--including broadcasting--of Africa as a whole. Handicapped by lack of training and resources on the one hand, and on the other by government interference, the African press is nevertheless determined to lessen its dependence on foreign news agencies and already contains some of the world's most dedicated newsmen and women. Special case studies on Tanzania, Nigeria, the Ivory Coast, Senegal, Morocco, Algeria and Egypt.
