Healing to All Their Flesh: Jewish and Christian Perspectives on Spirituality, Theology, and Health

Healing to All Their Flesh: Jewish and Christian Perspectives on Spirituality, Theology, and Health
Healing to All Their Flesh asks us to step back and carefully rethink the relationship between religion and health. It does so by examining overlooked issues of theology and meaning that lie at the foundation of religion's supposed beneficial function. Is a religion-health relationship consistent with understandings of faith within respective traditions? What does this actually imply? What does it not imply? How have these ideas been distorted? Why does this matter—for medicine and healthcare and also for the practice of faith? Is the ultimate relation between spirit and flesh, as mediated by the context of human belief and experience, a topic that can even be approached through empirical observation, scientific reasoning, and the logic of intellectual discourse?8 pag e photo insert
The editors of this collection, Drs. Jeff Levin and Keith G. Meador, have gathered together the writings of leading Jewish and Christian theological, pastoral, ethical, and religious scholars to answer these important questions. Contributors include Richard Address, William Cutter, Elliot N. Dorff, Dayle A. Friedman, Stanley Hauerwas, Warren Kinghorn, M. Therese Lysaught, Stephen G. Post, John Swinton, and Simkha Y. Weintraub, with a foreword by Samuel E. Karff.
