Illusion Andy King
Is life real? A memory...or an illusion? Former drug dealer now legit businessman, Steve McKuen, lost his soul mate in an assassination attempt. Psychopathic killer, John Christian, blindsides McKuen by setting up a counterfeiting operation in McKuen's bar. After McKuen is nearly killed, he turns to his assistant, Dennis Reneaux, and detective Charlotte Coil to bring Christian to justice. Set in the gritty streets and bars of present-day Los Angeles, Illusion is surprisingly inspirational for a romantic crime thriller, Illusion captures the gritty reality of present-day Los Angeles. Interview - The following interview with the author was conducted by the Central California Sun Times. Q - What makes Illusion unique? A - The people in the book and reality of the crime thriller story world. Since I love reading mystery and thriller, private detective, serial killer and romance novels, I'm producing these genres in one book. The book introduces and focuses on three people, while at the same time driving the action forward, a real page-turner. Q - Is the book part of a series? A - Yes, in a way. Illusion starts a story thread which is continued in my novel The Greatest Game and finally Control. Each book stands alone, and you can read them in any order. All of the story and subplot threads tie up in Control, but each book contains its own main plot that climaxes and resolves in that book of the series. If you do want to read them in order, I'd suggest following the Book numbering sequence: 1 -- Illusion 2 -- The Greatest Game 3 -- Control I've introduced a new series starting with the book McKuen's Revenge (A serial killer vigilante justice crime thriller). It's the first part of the novel Control. Q - Why should readers give these books a try? A - Each of the books Illusion, The Greatest Game and Control move fast. They're crime thrillers which leave you wrung out and satisfied. The books contain kidnapping, serial killers, vigilante justice, smuggling, terrorism and cybercrime. The series winds up with an ending that rivals many horror novels. The good guys win, of course, but not without paying a life-changing price. Add generous helpings of romance throughout, and you've got plots that twist and turn all the way to the end. Q - Do characters recur throughout? A - Yes, the books feature the same people in the same locations. Illusion sets up Steve McKuen's story, and The Greatest Game sets up Charlotte Coil's. Annie McCarthy, Courtney Perez and Tamra Morrison figure prominently in each of them. Please see my Author Page for those books. Q - Anything you would like to add? A - Thanks for reading!
