Billionaire Phillip BeCall has an infamous reputation in his line of work for his strict sense of control. He's arrogant and dominant, and if he's not brokering business deals, he's hiring out his elite group of slave companions to the wealthiest men and women in the world.

Libby Roman, a natural submissive, feels right at home in Mr. BeCall's companionship company. She's spent her entire life serving others and is glad to be in a position where she can be paid to do what she loves.

But during a training session with her boss, Libby feels a strong connection with Phillip as she's dominated in ways she never knew possible. She's never felt so truly free under someone who knows her better than she knows herself.

Phillip has greater plans for his new natural submissive than simply joining his companions...Plans that involve training Libby in the art of Submission for his personal pleasure...
