**My Name Was Glen** Carol Conway
My Name Was Glen is a true story about a rescue dog who "found" a family to call his own and live out his retirement. My Name Was Glen is the story of a 13-year old ex-working Border Collie called Glen, who was adopted by Carol, in Scotland. This edition is version two of the original - with more photos and stories than before. The story takes you on a hilarious roller-coaster journey of love, laughter and joy. And like life itself, at times, it's also tinged with sadness. The story will make you smile, it will make you think about how rewarding it is to rescue an elderly dog and it will definitely make you laugh out loud. Carol took Glen on knowing he required palliative care. This book is the diary he kept in his last 100 days - told in his own, unique way as only a dog could. It's emotional, but also very positive - you won't want it to end. The story is a fast-paced account of one rescue dogs inspiring journey - from the moment he arrived with Carol until his very last day. During his time with Carol he also grew a large fan-base on Facebook with his own page 'Bob Tails' - where he kept everyone entertained with his daily antics. The book can hopefully continue to raise awareness of unloved and unwanted dogs everywhere and hopefully through this moving story - you might let a dog named Glen in to your heart and home.
