The Daily Lessons of Infinite Love and Gratitude: The power of a positive attitude can lift the world and make you feel really good! Dr. Darren R. Weissman, B. T. Brunelle
Book Description Bestselling author and developer of The Lifeline Technique, Dr. Darren R. Weissman, with B.T. Brunelle, has taken his empowering program for adults, and interpreted it into a fun and exciting lesson book for children. As a parent, doctor and teacher, Darren feels that it is never too soon to introduce young people to the idea that they are unique, creative and resourceful individuals, with the innate ability to generate the positive results that they desire in their lives, such as good health, success and happiness. Every lesson is written in the form of a rhyming poem, accompanied by a colorful and expressive illustration. Each chapter leads to another important and meaningful message for children, to help carry them through their daily activities with self-confidence and self-esteem. The power of positive words and intentions is delivered in an entertaining and memorable way. Rich language, and vibrant images by George Milo Buck, make every page come alive. Following the 20 lessons, there is a section for review, which encourages participation and discussions. With clear examples, suggestions and questions that young people can answer, it is designed to help them connect these ideas to their own lives, and recognize how caring, capable, wise and wonderful they truly are. The Daily Lessons of Infinite Love and Gratitude is a book that will bring enhancement to any classroom, library and home, where children and adults are sharing the joy of reading, learning and growing!
