The Game (The Game is Life Book 1) Terry Schott
REVISED October 2015

"What if life as we know it was just a game?
What if, instead of traditional schools, children learned by participating in a virtual reality simulation, one that allowed them to experience "life" from birth to death -- multiple times?

What if one player, on his final play, could change the world forever...?"

Those books are helping them to add their knowledge. In other case, beside science book, any other book likes The Game (The Game is Life Book 1) to make your spare time far more colorful. Many types of book like this one.

Michael Earl:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Game (The Game is Life Book 1) can make you really feel more interested to read.
