Death in White Bear Lake

Barry Siegel

Death in White Bear Lake Barry Siegel
"We want to talk to you about my brother who was murdered twenty-one years ago--can we come in?" The veneer of tranquility in White Bear Lake, Minnesota, began to crack the day Jerry Sherwood and her son showed up at the police station to inquire about her first-born son, Dennis--adopted by Lois and Harold Jurgens and dead before his fourth birthday. The autopsy report ruled peritonitis was the cause, but the startling photos of the boy suggested murder.

How could the Jurgens kill a small child and get away with it? Determined to find answers, detectives Ron Meehan and Greg Kindle tracked down old witnesses and rebuilt the case brick by brick until they exposed the demons that drove an adopted parent to torture and eventually murder a helpless child. Just as compelling, they investigated why so many people watched and did absolutely nothing. A vivid portrait of an all-American town that harbored a killer, A Death in White Bear Lake is also the absorbing story of two detectives who refused to give up until they had the killer cold.

From reader reviews:

Linda Henderson:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to know everything in the world. Each reserve has different aim or perhaps goal; it means that reserve has different type. Some people truly feel enjoy to spend their time to read a book. These are reading whatever they acquire because their hobby is usually reading a book. What about the person who don't like reading through a book? Sometime, individual feel need book if they found difficult problem as well as exercise. Well, probably you should have this Death in White Bear Lake.

Denise Barnhart:

Book is usually written, printed, or outlined for everything. You can realize everything you want by a reserve. Book has a different type. We all know that that book is important thing to bring us around the world. Close to that you can your reading skill was fluently. A guide Death in White Bear Lake will make you to be smarter. You can feel considerably more confidence if you can know about everything. But some of you think which open or reading a new book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you in search of best book or appropriate book with you?

Kathleen Hernandez:

Spent a free time to be fun activity to complete! A lot of people spent their leisure time with their family, or their own friends. Usually they doing activity like watching television, gonna beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? May be reading a book can be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to try look for book, may be the e-book untitled Death in White Bear Lake can be very good book to read. May be it can be best activity to you.

Allen Green:

Exactly why? Because this Death in White Bear Lake is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will jolt you with the secret the idea inside. Reading this book alongside it was fantastic author who have write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of gains than the other book include such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I were being you I will go to the e-book store hurriedly.
