KHJ Weekly Music Charts: 1971-1975 Frank W. Hoffmann
Beginning in the late 1960s, KHJ emerged as the most popular Top 40 radio station in the lucrative Los Angeles market. The weekly music surveys - including the Top 30 for both 45 rpm singles and 12-inch LPs - produced from 1971 - 1975, are reproduced in this volume. Also includes 2 historical surveys of KHJ. Like the other radio charts titles, my goal was to provide a convenient chronological compilation of weekly surveys with corrections of the considerable errors found in both the original sources and in translation to online sites. These radio charts – which exist in the public domain – can be found in a multitude of sources, including original published sheets distributed via retail outlets, mail inquiries, etc., notation of on-air broadcasts, back issues of area newspapers (where stations are located) and music trade periodicals, specialized reference books, and websites interested in historical documentation, most notably, Oldiesloon, musicradio77, and ARSA. I employed multiple sources in the compilation of each radio chart volume in order to provide the most accurate data possible.
