Legal Research: How to Find & Understand the Law Stephen Elias, Susan Levinkind
Excellent for anyone searching for information in a real or virtual law library (including paralegals, law students, legal assistants and journalists), Legal Research outlines a systematic method to find answers and get results.

In plain, readable English, Attorneys Elias and Levinkind explain, with plenty of examples and instructions, how to:

*read and understand statues, regulations and cases

*evaluate cases for their value as precedent

*use all the basic tools of legal research

*practice what you've learned with "hands-on, feet-in" library exercises, as well as hypothetical research problems and solutions

This easy-to-use and understand book, now in its 13th edition, has been adopted as a text in many law schools and paralegal programs.
