One Night Standoff (The Marshals of Maverick County Book 2) Delores Fossen

There was no way she could hide the bump…

Lenora Whitaker never thought spending one night with U.S. marshal Clayton Caldwell would put them in the crosshairs of a killer. Connected to a protective custody case gone awry, they are both attacked, leaving Clayton with a damaging case of amnesia and forcing Lenora to go on the run.

After taking a bullet to save her life, Clayton is unable to remember Lenora or that he's the father of her baby. But the moment he tracks her down, it's clear the attraction is still there. Hiding out together on his Texas ranch, Clayton admires the way Lenora will do anything to protect her unborn baby. Connecting with the pregnant beauty also triggers the first hints of his past. A past that could mend their broken lives—or unearth secrets he'd be better off forgetting.

Susan Munoz:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this One Night Standoff (The Marshals of Maverick County Book 2) can make you experience more interested to read.
