Chaos reigns after an electromagnetic pulse attack destroys the country's power grid and sends the United States back to the Dark Ages. The hit leaves fifteen-year-old Dee stranded on a farm in rural Washington, where basic survival is the top priority. But without the essentials—electricity, clean water, even her cell phone—does Dee have a chance?

As disease and lawlessness run rampant in the nearby town, everything Dee holds dear is threatened by a corrupt official who steps into power. With handsome, troubled Mason at her side, Dee will have to fight if she wants to survive and save her home in this hostile new world.

Written for all fans of apocalypse stories, Outage is a young adult novel of survival with a hint of romance and brimming with action-adventure.
