Amazing Bonus Insude: Gift Romance Books Collection

Erin Rivers is an ER nurse working on the night they bring in a badly injured John Doe found on the side of the road. **The man is a mystery.** His injuries tell contradictory stories, and no one is sure what to make of him.

The next morning Erin stops in to see him on her way home. He's awake, and he insists on leaving the hospital. He won't tell Erin his reasons, but she can see he truly believes he can't stay, and, reluctantly, she gives in, offering him a ride. When he passes out in her car, she changes plans and takes him home.

But Devlin Russell has a secret, and outside the shelter of Erin's apartment, it's chasing him down. Erin, her attention given to healing the housemate she's growing increasingly fond of, is blissfully unaware of the danger. What she doesn't know can definitely hurt her.
