The Impact of the South African War

The Impact of the South African War
This exciting new book marks a major shift in the study of the South African War. It turns attention from the war's much debated causes onto its more neglected consequences. An international team of scholars explores the myriad legacies of the war - for South Africa, for Britain, for the Empire and beyond. The extensive introduction sets the contributions in context, and the elegant afterword offers thought-provoking reflections on their cumulative significance.
