Breathe (Sea Breeze) Abbi Glines
In the shore town of Sea Breeze, Sadie discovers that fame is nothing in the face of passion. A steamy read from bestselling author Abbi Glines.

Sadie White's summer job is at the beach, but she won't be working as a lifeguard. Since her mom is pregnant and refuses to work, Sadie will be taking over as a domestic servant for a wealthy family on a nearby island.

When the family arrives at their summer getaway, Sadie is surprised to learn that the owner of the house is Jax Stone, one of the hottest teen rockers in the world. If Sadie were normal—if she hadn't spent her life raising her mother and taking care of the house—maybe she'd be excited about working for a rock star. But she's not.

Even though Sadie isn't impressed by Jax's fame, he is drawn to her. Everything about Sadie fascinates Jax, but he fights his attraction: Relationships never work in his world, and as badly as he wants Sadie, he believes she deserves more. Yet as the summer stretches on, Jax's passion leaves him breathless—and Sadie feels like the only source of oxygen.

Can their love overcome the disparity in their lifestyles? One breath at a time, they're going to find out…

From reader reviews:

Jennifer Bell:

Book is to be different for every single grade. Book for children until adult are different content. As it is known to us that book is very important for all of us. The book Breathe (Sea Breeze) has been making you to know about other know-how and of course you can take more information. It is quite advantages for you. The guide Breathe (Sea Breeze) is not only giving you much more new information but also to become your friend when you really feel bored. You can spend your own spend time to read your publication. Try to make relationship with all the book Breathe (Sea Breeze). You never feel lose out for everything should you read some books.

Sandra McNulty:

As people who live in the actual modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era and that is always change and move forward. Some of you maybe can update themselves by reading books. It is a good choice for you but the problems coming to you is you don't know what one you should start with. This Breathe (Sea Breeze) is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Dwight Ambrose:

People live in this new moment of lifestyle always try to and must have the spare time or they will get lot of stress from both everyday life and work. So , if we ask do people have extra time, we will say absolutely yes. People is human not really a huge robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to you of course your answer can unlimited right. Then ever try this one, reading books. It can be your alternative in spending your spare time, the particular book you have read will be Breathe (Sea Breeze).

Jennifer Crawford:

That publication can make you to feel relax. This book Breathe (Sea Breeze) was vibrant and of course has pictures around. As we know that book Breathe (Sea Breeze) has many kinds or style. Start from kids until young adults. For example Naruto or Investigation company Conan you can read and think you are the character on there. So , not at all of book are usually make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for you and try to like reading that will.
