College Homework Help: 350 solved physics problems Mr. Valentin I Bogatu
I have written this book by choosing the best examples from a collection of about 3000 solved physics, mathematics and chemistry problems tutorials. These tutorials are the answers to real college homework that students asked me on the internet. The number of problems solved in the book is about 350 and between these problems the reader can find answers to standard physics tests and standard homework that many college students have during their physics instruction.
