Passion comes from inside. Stoke it.
Setbacks happen. Find your way around, over, and through them.
Be willing to receive, then give back. Pay it forward.

Many young people--perhaps four out of five or more--are dissatisfied with their jobs. Why bother to pursue a dream?

It's up to you to create your custom-tailored career and define success your way. How? Combine your burning passion with drive, determination, strategy, and commitment to pay it forward; and find and nurture mentor support, stay steady on your path, and see the fireworks. *Success on Your Own Terms* will show you exactly how to do it.

Living parallel lives as a business executive, Christian hip-hop media owner, and author, James Rosseau has merged the streams of his three passions to make a difference in his own life and the lives of countless others.

Learning to make and keep six promises during his diverse career, Rosseau now shows young people how to develop a plan for themselves.

These stories, lessons, setbacks, and triumphs--from the neighborhoods of North Philadelphia to executive leadership--reveal new possibilities in an inspiring blend of smart strategy, hard work, and willingness to connect to help others.
