The Cemetery of Hearts: More Stories of Horror, Fantasy, and Science Fiction David Fulcher
R. David Fulcher returns to the realm of the macabre, the strange and the fantastic with his new collection of short stories, The Cemetery of Hearts. Using his signature style of intense imagery and eerie atmosphere, he pens tales that take readers to an ancient planetoid, the pungent sewer, all-American small towns and a medieval city. Once again, his vivid characters leap from the stories into the minds of the readers as their tortured tales play out on the page.
