The Write Thing: A Novel Anthony Ramirez
Matthew's dream is to be a writer. Too bad he's the only one who seems to see the potential in himself. During his senior year of high school, Matt is beginning to feel the pressures of his dreams closing in around him. Still, he has no idea how he should go about being a writer at all. That is, until his English teacher-the intolerable Ms. Castro-informs him that he will be tutoring a sophomore by the name of Lexi O'Reilly. Suddenly, Matthew finds something worth writing about. As his writing makes its way around the school, life begins throwing Matt for quite the loop. His new girlfriend has become distant, his friend Kat turns and runs at the very sight of him, and his boss-world-renowned author Sheldon Craig-is still being a total douche bag. Just when everything was beginning to fall into place, it's slipping back out again and falling to pieces. Meanwhile, Matthew is simply trying to do the right thing to fix it all. The trouble is, he hasn't quite figured out what that is yet

Phyllis Spencer:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Write Thing: A Novel can make you truly feel more interested to read.
