I knew that werebears existed, but I needed proof. I needed something to confirm that I wasn't as crazy as everyone told me I was. I dedicated my entire life to the creepy and supernatural. I just needed something concrete to show everyone else that there was more out there.

But then he showed up.
He showed me that the truth isn't always black and white. The proof I needed took a backseat to the ache in my chest - the desire to feel whole for once in my life. He told me I wasn't crazy, and I believed him. A tornado was ripping through both our lives, but I had Vex to cling to.

I knew from the moment I laid eyes on her that she was my mate.
I felt it in every part of my body. Every inch of my being called out to her.

She poked her nose where it didn't belong, and I felt like hell for keeping her my dirty little secret. I wanted to show her off to the world. I wanted to give her my mark and claim her as mine for the rest of eternity. The Valley Enforcers series is a spin-off of the Stoneclaw Clan series. It isn't crucial to read the Stoneclaw series before the Enforcers, but it is highly recommended. Each series takes place in the same universe and will reference other books, stories, and couples.

This book is a full-length novel about shifters. It contains sexually explicit scenes and is intended for audiences over the age of eighteen.
