Digital Transformations in Turkey: Current Perspectives in Communication Studies

Digital Transformations in Turkey: Current Perspectives in Communication Studies
Digital Transformations in Turkey analyzes the genesis, dynamics, and operations of different communication contexts in relation to digital transformations in Turkey. The contributors tackle such topics as the impact of social networking channels like Facebook, YouTube, and Twitter and the changing dimensions of social, cultural, and political ideologies. Akdenizli offers a multifaceted and balanced discussion of the role and impact of communication technologies in a country with questionable and blatant freedom of expression violations. This collection will appeal to scholars of communication, new media, and technology in emerging markets.
