# How to Ooze Sexiness & Make Money

Every woman is born with an immeasurable capacity to resonate beauty. We're all capable of emitting unstoppably feminine radiance that can make someone's day or inspire a man to fall in love. Feminine energy, after all, is a catalyst for reception, whether it receives attention, praise, service or undying love.

But it can't if you're not using it properly to attract clients to your business. You may be dealing with Client Over-Attraction, a phenomenon where people are attracted to you and what you do, but they're immobile when it comes to serious investments.

### SIGNS OF CLIENT OVER-ATTRACTION & HOW TO DEAL:

1. People are starstruck. They want your time and attention – and follow your every move.
2. You get plenty of brand engagement – but it's doesn't lead to an increase in business growth.

For situations like that, you need stronger systems in place and tougher boundaries. Because your beauty is an asset that will increase your sales, but only when you focus your business energy properly: on activities and conversations that build your business, while leaving secondary social engagements for spare moments of "free" time in your business.

AND THAT'S WHY YOU'RE HERE.

You're still not making money. You're still not reeling in clients. You're chasing them. In fact, the more you chase them, the harder they run.

## AND THAT, BABYGIRL, IS YOUR PROBLEM.

Why are you chasing them? They should be chasing you. The thrill of the hunt comes from putting your scent in the air, raising their awareness – leaving a trail for them to sniff you out and hunt you down. Being aggressive is necessary, but your strategy is out of alignment when you find yourself out there trying to convince people to work with you. Too much chase and aggression on your end screams, "Nobody wants

me! Please want me! Please! Please! My business depends on it!”

## YOU TASTE BETTER WHEN THEY WORK FOR IT!
## NOBODY WANTS AN EASY WIN – EVEN IF THEY SAY THEY DO.
## EVEN IF THEY WANT ONE, THEY’LL SELDOM VALUE IT.

Don’t take it personal. We value what we work for. We pursue what we value. When you value yourself, you radiate your value to others – in your full feminine glory.
