Plutarch: Lives (Vol I-IV) & Morales

Plutarch

Plutarch: Lives (Vol I-IV) & Morales Plutarch
Plutarch was a Greek historian, biographer and essayist, known primarily for his works **Lives** and **Morals** (Moralia).

Plutarch's **Lives of the Noble Greeks and Romans**, commonly called **Parallel Lives** or **Plutarch's Lives**, is a series of biographies of famous men, arranged in tandem to illuminate their common moral virtues or failings, written in the late 1st century.

The Moralia (loosely translated as "Morals" or "Matters relating to customs and mores") is an eclectic collection of 78 essays and transcribed speeches. They give insight into Roman and Greek life, but are also timeless observations in their own right. Many generations of Europeans have read or imitated them, including the Renaissance Humanists and Enlightenment philosophers.
