**Hers (The Fight Club Book 4)** Becca Jameson
Submitting to him is easy… Shaking off her past is not.

Kayla Temple is leery about returning to a BDSM lifestyle. Finally free from four horrific years with a man she wishes she could forget, she wants to experience the release of submission again, but can she trust any Dom enough to let herself go?

Gage Holland has been watching Kayla for two years. They work together, and she belongs to the same club as him. But she wears a tough shield, and Gage has a full life that leaves him with very little free time.

After engaging in a flogging scene together that goes horribly wrong, Gage is more intrigued than ever. What makes Kayla so skittish? The small taste he's had of her is not enough. Hiding his own vulnerabilities, he pushes Kayla to open up about her past while submitting to him in ways that won't trigger another bad response to her mysterious past.
