What choice does she have? She has no family and her only friend is now dead. Plus, she knows what's coming for the MC...

Gaige wears the VP patch proud and keeps all business and personal life separate. Until he lets Emily into his bed, night after night,and makes the promise to avenge the death of her friend. The situation onlygets worse when Rachel's father shows up and demands answers. He's rich, powerful, and wants more than just revenge... he wants to take the MC down.

With the walls starting to crumble, the last thing Gaige needs is another fire to put out. That's when a secret from Emily's past comesforward and threatens to be the final nail in the Back Down Devil MC coffin.
