Oxford Choral Classics: Opera Choruses
The Oxford Choral Classics series gathers together over three hundred of the world's choral masterpieces into a unique series of seven volumes. Each volume contains all of the established classics of its genre under a single cover, in authoritative new editions, at a budget price. *Opera Choruses* is the first volume in the series. Audiences will love these classic choruses, skillfully arranged as separate concert works and available for the first time together. Rutter has researched the best available sources and provided excellent English singing translations, as well as sensible and practical new keyboard reductions for rehearsal accompanists.
