The Complete Paintings of Adolf Hitler

The Complete Paintings of Adolf Hitler
For the first time, a catalogue raisonne of the paintings of Adolf Hitler has been produced. Illustrated in full color and with the history and analysis of Hitler's years as a struggling artist in Linz, Vienna and Munich, this volume separates the wheat from the chaff; with the rise in interest and in prices of Hitler's works in the marketplace and the flood of forgeries that have plagued collectors, scholars and institutions over the decades, Stephen R. Pastore, a renowned art critic and historian has set a new criterion for establishing not only authenticity but a genuine appreciation of the creative impulse of one of history's most important figures.
