They are men and not gods: The secret of ancient Egypt's influence in the Bible and what it means to you Marilyn C. Maye
THEY ARE MEN AND NOT GODS looks in depth at stories surrounding ancient Egypt in the Bible, and sheds light on many of the dynamics of society today. Addressed to an anonymous young friend, the book assumes no prior Bible knowledge and can be used as a guide to studying the Bible from a cross-cultural perspective by individuals and groups. People of African descent, who have had their heritage disfigured and denied, are particularly the potential beneficiaries of Maye’s investigative reporting into the highly visible but widely neglected role of Egypt in the Bible. Those of all backgrounds will gain a more accurate view of the God we all claim and to whom we are accountable.
