Wicked

Gregory Maguire

Wicked Gregory Maguire
The Life and Times of the Wicked Witch of the West. Heralded as an instant classic of fantasy literature, Maguire has written a wonderfully imaginative retelling of The Wizard of Oz told from the Wicked Witch's point of view. More than just a fairy tale for adults, Wicked is a meditation on the nature of good and evil. Elphaba is born with green skin, a precocious mind and a talent for magic. An outcast throughout her childhood in Munchkinland, she finally begins to feel as though she fits in when she enters the University in the Emerald City. While she hones her skills, she discovers that Oz isn't the Utopia it seems. She sets out to protect it's unwanted creatures, becoming known as the Wicked Witch along the way.
