‘Home Again’ is a delightful short story about a lovable and cuddly kitten Daisy who finds herself in a precarious situation and how she, along with her caregivers, learns some tremendous life lessons the greatest of which is love.

Daisy comes to realize that the warmth of home is much more attractive than the harshness of the outside world; that after the adventures of life-pleasant and unpleasant, it’s good to come to a home where love and care reign supreme…even from those you least expect.

The close relationship between human beings and their pets has been around since time immemorial. ‘Home Again’ highlights this special bond and presents it in a way that can be enjoyed by the entire family.
