Pictures of Personality : Guide to the Four Human Natures John Lopker
PICTURES OF PERSONALITY presents the Four Temperaments and 16 Personality Types in pictures worth 1000 words. You will see what is behind normal personality differences and the games people play. All key concepts are presented visually with precise explanations. The Five Point Survey will help you to find your own Temperament (David Keirsey) and Personality Type (Carl Jung, MBTI, Myers-Briggs). You will get to know your two sides (light and dark) so you can manage the conflict, flow with your natural strengths, and make friends with your other side. This graphical guide will help you to understand and remember the primary personality differences, similarities, patterns, and relationships. In sum, the book illustrates and explains the two most popular and respected systems of personality typology in the world, and will help you to understand yourself and others better. If you like to learn visually, PICTURES OF PERSONALITY is for you.
