You Take It From Here Pamela Ribon
Just because you'd give your best friend everything doesn't mean she has to take it.

On the heels of a divorce, all Danielle Meyers wants is her annual vacation with sassy, life-long best friend, Smidge—complete with umbrella cocktails by an infinity pool—but instead she's hit with the curveball of a lifetime. Smidge takes Danielle to the middle of nowhere to reveal a diagnosis of terminal cancer, followed by an unusual request: *"After I'm gone, I want you to finish the job. Marry my husband. Raise my daughter. I'm gonna teach you to how to be Smidge 2.0."*

As Danielle wrestles with this major life decision, she finds herself torn between being true to her best friend's wishes and being honest with herself. Parenting issues aside, Smidge's small-town Louisiana world is exactly the one Danielle made sure to escape. Danielle isn't one for playing the social butterfly, or being the center of attention. And when your best friend tries to set you up on a date night with her husband, it might be time to become the bossy one for a change.

In the spirit of *Beaches* and *Steel Magnolias*, *You Take It from Here* is an honest, hilarious, and heartbreaking novel that ultimately asks: How much should we sacrifice for the ones we love the most?

From reader reviews:

Dana Gallo:

A lot of people always spent all their free time to vacation as well as go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, or playing video games all day long. If you need to try to find a new activity that's look different you can read any book. It is really fun for yourself. If you enjoy the book that you just read you can spent the entire day to reading a e-book. The book You Take It From Here it is extremely good to read. There are a lot of people that recommended this book. These were enjoying reading this book. If you did not have enough space bringing this book you can buy the particular e-book. You can m0ore simply to read this book from the smart phone. The price is not to fund but this book provides high quality.

Don Numbers:

Reading a book for being new life style in this calendar year; every people loves to study a book. When you go through a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, as well as soon. The You Take It From Here will give you new experience in studying a book.

Evelyn Nay:

You may spend your free time to study this book this reserve. This You Take It From Here is simple to deliver you can read it in the area, in the beach, train along with soon. If you did not have got much space to bring the actual printed book, you can buy often the e-book. It is make you easier to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Teresa Randall:

Many people spending their time by playing outside along with friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by examining a book. Ugh, you think reading a book will surely hard because you have to accept the book everywhere? It fine you can have the e-book, getting everywhere you want in your Touch screen phone. Like You Take It From Here which is finding the e-book version. So , why not try out this book? Let's observe.
