Harland County Christmas
Harland County Series-Prequel/Jen and Brock
Novella 40,000 words
Heat index: Hot

Accounting major Jen has one more year before she graduates and moves out of Harland County to find a corporate job and maybe a good-looking businessman to boot. Cowboys were handsome and fun, but they didn't stick. Neither did ranch hands. Experience has taught her they come and go, and some took a piece of her heart with them. Well, no more handsome, sexy, cowboys. She wanted a stay around, stable, lifetime type of guy.

Then she returns to the family ranch for the summer to discover Brock, the hot, one-night stand she'd given herself permission to enjoy right after finals, is the new ranch hand. And dang it, she's just as drawn to his sexy grin, gorgeous green eyes and quiet strength. As the summer ends, classes resume, and the holidays near, the handsome, alpha cowboy has her rethinking her future. So does the unborn baby she's carrying. Maybe sticking around Harland County isn't so bad—if she could get Brock to stay, and break out of the 'leave Jen and move on to another ranch' mold.
