Red Tower Dream: Vol 12: It Never Rains but It Pours

Red Tower Dream: Vol 12: It Never Rains but It Pours
Red Tower Dream is the most complete and accurate English translation of the centuries-old classic Chinese melodrama, Hóng Lóu Mèng. This revolutionary English edition holds the unprecedented distinction of containing every single line of prose and poetry of the original Chinese text. Although the language of this romantic novel is simple enough for an intermediate-level reader to comprehend, the richness and complexities of the interpersonal, philosophical, and cultural issues it touches upon have given rise to the scholarly field of "Redology".
