Do you want to be smarter?

Smarter: How to Increase Your IQ will show you exactly how. No matter what your IQ is, you can increase it. I know because I have increased my own IQ from mid-120s to over 140. I am not alone. There is an IQ revolution taking place. The brain performance research, pioneered by Wayne Kirchner and Susanne Jaeggi, has revealed that intelligence is a dynamic quality. Much like a physical muscle, mental strength and agility can be developed with the right exercise. The neural research in the last several years has revealed what this exercise is. It is powerful, and it works! You can start today.
